I. The Value of God's Word.
What two things of value is the Word of God compared to in Psalm 19:10?

Why is the Word of God more precious than gold?

How is the Word of God sweeter than honey from the honeycomb?

How do you usually treat something that is precious and desirable to you?

What actions would suggest that the Word of God is precious and desirable to us?

What often curtails our time in God's Word?

II. The Shaping of God's Word.
What does God's Word warn us about?

Why does God warn us about this? What is the consequence or end result?

What does Psalm 1:1-2 tell us not to do and to do?

According to Psalm 19:11 what is the result of keeping God's Word?

What reward is told to us in Revelation 21:3-4

What is this "great reward"? Read Psalm 119:9,11,130, Psalm 18:30.

III. Our Response to God's Word.
What part of our lives does Psalm 19:12 point to?

Why is it easier to see the faults and errors in others than ourselves?

Why is nothing hidden before God?

What does Psalm 19:13 address?

How would you describe willful sins? What does it mean to have our willful sins rule over us?

How does God's Word keep us from willful sins?

What two areas of our lives does Psalm 19:14 cover?

What does James 3:9-10 tell us? What does Philippians 4:8 tell us?

How does God's Word help our words and thoughts be pleasing to God?
