

*Pray for our
Missions Partners*

March 4, 2018

*Jerry and Cindy Walker
UKRAUMPA, PAPUA, NEW GUINEA*

Please pray for:

- They have been able to record thousands of hours of the Bible in about 20 languages this year. This has gone out on hundreds of Audio Bibles and SD cards to reach the people of PNG. Pray that the recordings will help people engage with the Word of God so that it changes their lives.
- Please pray for the recordings that they do. Pray for wisdom on how to schedule the work and for the funding needed for these recordings.
- Pray for the impact of the *Healing the Wounds of Trauma* workshops held this year. Many found freedom from pain and many planned on taking this teaching to their churches.
- Please pray for Jerry and Cindy as they are on furlough. Pray for strength and joy and for new opportunities to get people excited about missions.
- Pray for their three children back in the U.S. who continue to make their way as young adults

*Godwin and Rebecca Subramaniam
YEUN LONG, HONG KONG*

Please pray for:

- Pray for God's wisdom and knowledge to lead this ministry.
- Pray for open doors for this ministry.
- Pray for God's protection and financial provision for family and ministry.
- Praise God that they were able to enroll Ashly Joy into an English school after trying for 3 years.

*Nick and Iris
ASIA*

Please pray for:

- Sometimes as a nation they treat religion as knowledge. They look for answers to their questions online. Pray that Nick and Iris may be able to equip themselves to serve the nation better and meet their needs well.
- Many websites and apps are blocked in this country. Please pray that this will not hinder communication with supporting friends in North America.
- Pray that God will continue to have mercy on this nation and will keep the door open there to the gospel. Also pray that other people will be willing to serve on the field of East Asia.
- Nick and Iris are currently on home assignment; pray for safe travels as they visit supporting churches and time for rest and refreshment as well.
- Pray for those who are filling their shoes in their ministry in East Asia right now.
